EDITORIAL

It has been a few years since *Club* had its very own regular girl – the lovely Sasha – but we felt it was time to make the mag a home for the lovely Dani Maye. She's British, she's hot and she's rude – are any other reasons needed? We've even got Sasha in this issue for a symbolic handing over of the baton, so to speak. We'd also give them both our batons, also so to speak.

Make Dani welcome by writing to her (or we'll forward your emails) care of the usual address – she wants your ideas for future photoshoots. Welcome to the *Club*, Dani...

DOUBLE BUBBLE!

Dear Club,

Jenny Laird and Tommie-Jo in the same issue? Yep, that's a keeper. However, as much as I like their solo work, what I'd really like is to see the two of them pressing their lovely boobs against each other. Anything else they chose to do would be entirely up to them, but the boob thing would be a great start!

Timothy, Cumbria

Ah, Timothy, you're asking for the moon on a stick. We'd love to see that too but, and it's not unusual, these are two girls who only work alone. It might be shyness, it might be by request of their partners or it might be – and we like to think this – it's because they're plenty hot enough on their own!

Dear Club,

I know a lot of your readers will appreciate the excitement of sexual activity in the open air, but I've got to tell you how I added a little extra spice to this recently. Under the thin guise of getting out of London for a bit of good country air and some walking, a group of us pitched a few tents in a site, out in Sussex, and took a carload of booze. As you can imagine, the drinking began at about four in the afternoon. As night fell, my mate Clive headed off on a daft drunken adventure into the woods with my other mate Sean, leaving their girlfriends with me and two other guys who were there.

We carried on drinking, and Clive hadn't returned as I eventually flaked out in one of the two-man tents. I was woken from my slumber by someone staggering clumsily outside the tent, and then crashing through the front flap, onto the mat next to me. It was Emma, Clive's girlfriend, and she was totally pissed. "Clive's left me, Mike," she wailed, and then giggled mischievously. "I'm all horny," she continued, "and he's not here!" She was basically sprawled on top of me, speaking inches from my face. "I need some cock!" she then drunkenly moaned and pulled a mock childish sulking expression.

I'd obviously never heard her speak like that before, but I was loving it. Naughtily, I replied, "Sorry Em, there's only my cock here," under the guise of humouring her. What happened next took me totally by surprise, as she suddenly asked, "Do you mind me sucking you off, then?" in a matter-of-fact way. "Oh, I think that would be OK," I stammered nervously, not really taking her seriously. However, her hand was on my flies in seconds, as if it was a race to get at it.

Yanking it out roughly, she staggered on to her knees by my waist, and forced her mouth down and around my prick. She was so drunk that she began deepthroating me with abandon. It really felt like she was trying to fuck her own mouth, as she gripped the base of my meat and, with her eyes closed, drove her face over my shaft again and again. Pushing my penis upwards, she then buried her face into my crotch, and basically French-kissed my scrotum, before taking one of my balls in her mouth! I could smell the open-air through the tent door, and I lay back as she covered my crotch in spit.

She was tossing me off furiously and her tongue was snaking under my sack, towards

BROWN WINGS!

Dear Club,

I'm a bit of a porn freak, and as well as fine magazines like *Club* I'm also into my DVD's. Watching the rise of Mia Malkova, who has the best bum I've seen in my 50 years (30 of which I've spent enjoying porn!) I was convinced that she'd never be a porn star. I was wrong. Then I was convinced she'd never do any anal scenes. Well, I'm wrong again. She's just done her first one and if there's a better sight than that amazing arse getting done, I hope I live to see it!
William, Chichester

Bloody hell, William, we've missed that one ourselves! We also thought Mia would never do that, but secretly hoped she would (we obviously hoped it would be with us, but we doubt we're alone in that!).

my arse, when I suddenly thought of Clive. Where was he? When would he be back? I had to get her to stop. I tightened up with anxiety, but couldn't bring myself to end the moment. Fixing her eyes on me, she began to wank me hard against her extended tongue, occasionally flashing the tip across my bell-end. I was ready to explode, and I suddenly heard Sean's voice, knowing that Clive couldn't be far behind! Emma was too drunk to notice, and as I shot my wad, she noisily moaned and panted. I sprayed against her tongue, hitting her cheek and lips messily.

My dick was still pulsing as I heard Sean's voice, which also shocked Emma back to her senses. She flashed me a frightened look, wiped her face quickly on my sleeping bag, and whispered "You're asleep!" As if I spent the next half hour with my heart racing for two reasons. Nothing happened, and the next day it was all back to normal – I guess he mustn't have kissed her as soon as he found her last night!

Mike, Hampstead ♣

BRETT ♣

Brett on the side...

Brett has been a naughty girl. Well, she's pretty much always being a naughty girl, but let's narrow it down a bit. She's just told us that she's cheating on her boyfriend with a girlfriend, and she wants to bring the two together so that she can enjoy the best of both worlds, so to speak.

"I mean, he should know about my tastes," she explains, "I'm a lesbian porn star for fuck's sake! And I'm not gay for pay, you can tell from the passion in my scenes – and the orgasms I always have! But I love that dick too and don't want to give that up to be with a girl full-time. I want to share them both, but I really don't know how to tell them."

Brett, you just did... ♣

club's ROUGH GUIDE

Football is back, tennis is exciting again, but the real star of this Rough Guide is a speedy Spaniard on two wheels. Over to Matt Loxham, who will attempt to explain...

Premier League Season

Various Venues – 16th August

The World Cup is over but football fans do not fear – the Premier League season awaits! Will England's piss-poor performance in Brazil have any kind of impact on the popularity of our domestic competition this time around? Or, indeed, will anything be done to address the paucity of world class home talent emerging from the Premier League? Rumblings of discontent have been heard emanating from the FA, with the main bugbear surrounding the big clubs' habit of hoovering up all the best young English players, whose first team opportunities are then subsequently hampered by expensive foreign imports.

But surely it's all too easy to simply blame everything on wealthy teams and their pursuit of success. The pressure to win matches in the Premier League

is intense week in, week out. For the teams who can afford the luxury, large squads must be assembled to compete in all competitions, and fans shelling out fortunes for tickets naturally want to see the best players possible. The issue is clearly structural, developmental and deep-rooted, so let's hope the musty old suits at the FA can find a solution before the national team is subjected to another humbling at a major tournament...

Back to the present and current Premier League champions Manchester City have spent the summer break focusing on putting together a team to retain that title rather than considering the woes of the England side, signing Fernando from Porto and Bacary Sagna from Arsenal in a bid to bolster midfield and defence respectively. The only positive news for Roy Hodgson and co here is the arrival of goalkeeper Willy Caballero from Malaga, who should push Joe Hart all the way for a place between the posts.

In a bid to compete with

cosmopolitan City, Chelsea have shipped out England stalwarts Ashley Cole and Frank Lampard, Cole to Roma and Lamps probably on one of those SAGA cruises. Error-prone Brazilian David Luiz might have left for big-spending Paris St-Germain, but Diego Costa and Cesc Fabregas arrive from Atletico Madrid and Barcelona respectively, with Croatian international Mario Pasalic joining the former Arsenal man in midfield. Jose Mourinho has a formidable squad at the Bridge, it's just a shame that only one current England player, Gary Cahill, is likely to be a regular starter. Rumours that John Terry might make a return to international duty remain vaguely depressing.

While Arsenal boast Theo Walcott, Jack Wilshere and Alex Oxlade-Chamberlain, their pursuit of Premier League glory has led them to invest heavily in overseas stars, with Chilean striker Alexis Sanchez an exciting and expensive addition to their ranks.

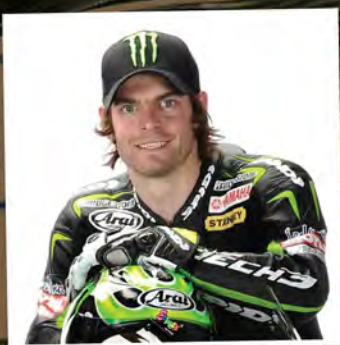

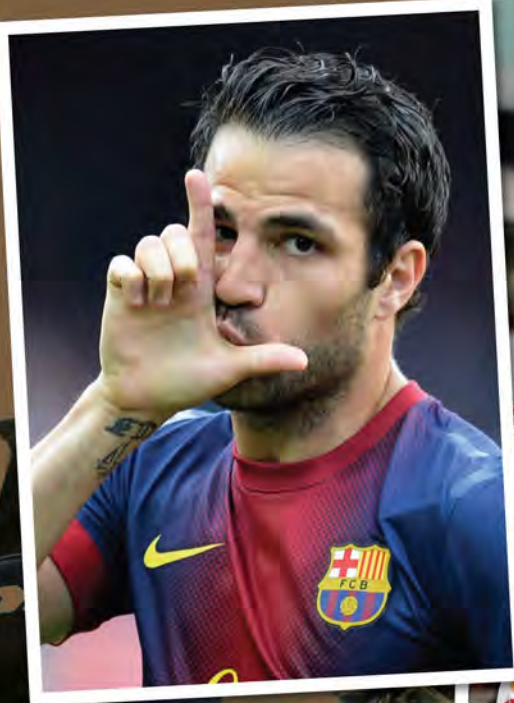

So three of the main contenders have unashamedly eschewed homegrown talent in place of big name foreign signings, but it's not all doom and gloom for Hodgson's beleaguered set-up. Resurgent Liverpool, already the home of exciting England prospects Daniel Sturridge, Jordan Henderson, Raheem Sterling and the more experienced Glen Johnson, have brought in Southampton strike pairing

Rickie Lambert and Adam Lallana, both of whom featured at the World Cup. The well-documented absence of talismanic cannibal Luis Suarez will doubtless be a huge blow to boss Brendan Rogers, but it may create an opportunity for Lambert and Lallana to shine on the biggest stage, particularly as Liverpool will play in the Champions League this season.

After a disappointing campaign that saw them finish 7th and fail to qualify for European competition, Manchester United are in the process of rebuilding under new coach Louis Van Gaal. Luke Shaw joins from Southampton,

linking up with fellow England defenders Chris Smalling and Phil Jones. With Wayne Rooney and Danny Welbeck up the other end of the pitch, the international side is comparatively well represented at Old Trafford. The future might not exactly be bright, but it's also perhaps not so shite. Liverpool or United for the league anyone?

Moto GP

Indianapolis & Czech Republic – 10th & 17th August

Spain might have flopped at the World Cup, but while Iniesta and co were turning in a massive stinker in Brazil, one young Spaniard was busy trouncing all-comers in the fashion anticipated from his footballing compatriots. At the time of writing Marc Marquez had won all nine Moto GP races this season, becoming the first rider since the legendary Giacomo Agostini in 1970 to score so many consecutive victories and amassing an enormous 77 point lead over his closest rivals in the process. To think he began the defence of his title having missed much of pre-season testing with a leg fracture that had barely healed come the opening Grand Prix in Qatar.

Young, brave and with an 'at all costs' approach to winning races, it's no wonder that comparisons abound with the great Valentino Rossi, currently second in the rider's standings

and enjoying his best run of form in years, although Marquez has some way to go before he can compete with the seven Moto GP crowns achieved by the flying Italian.

With 25 points awarded for a win and the season eighteen races long, it's technically possible that Marquez could be caught up, particularly in a rough and tumble sport where crashes and injuries are commonplace – not that we're wanting to put the mockers on him or anything.

Alongside Rossi, Marquez's team mate Dani Pedrosa would be best placed to capitalise on any errors made by the man from Catalonia, followed by Jorge Lorenzo, double champion and a close runner-up to Marquez last year but who is struggling for form on the Yamaha this time around.

Cal 'Coventry Comet' Crutchlow has had his fair share of difficulties in his first season for Ducati, with several crashes and an off-the-pace bike leaving the top-Brit languishing in mid-table after a fifth placed finish last time around. To be fair though, he'd need a rocket up his arse to compete with Marquez at the moment, and that is, I believe, against the rules.

US Open Tennis

Flushing Meadows, New York – 25th August to 8th September

The final major of the year has become that little bit more interesting after the

many surprises of Wimbledon. At times SW19 resembled something of a neatly-mown sporting battlefield as top female seeds such as Serena Williams and Maria Sharapova were ruthlessly cut down, Andy Murray inexplicably waved the white flag at Gregor Dimitrov in the quarter-finals, and Nadal was outgunned by an unknown. It all sounds rather dramatic, but in the relatively stable world of tennis this could almost have constituted court carnage had top-seed Novak Djokovic not restored order by beating old

bounce back? Has Murray lost his bottle? And why does Nadal always go to the bog after the first set? Pressing conundrums that may or may not be answered on the hard courts of Flushing Meadows.

It remains to be seen if the players who so rudely pooped the top seeds' party can continue to perform at that level at every Grand Slam.

Dimitrov, who took Murray apart, Nick Kyrgios, Nadal's conqueror, and Milos Raonic, a semi-finalist at Wimbledon, are rising stars tipped to make life

“Andy Murray inexplicably waved the white flag at Gregor Dimitrov and Nadal was outgunned by an unknown”

stager Roger Federer in a classic five-set final.

Such has been the fallout from the tournament that people who give a shit about such things are asking some serious questions of the key protagonists. Can Serena

much less comfortable for the so-called 'big four' of Murray, Nadal, Federer and Djokovic. Similarly, in the women's game, breakthrough racqueteers such as Eugenie Bouchard, losing finalist at Wimbledon, Angelique Kerber, victor over Sharapova, and Alize Cornet, who delivered the biggest upset with her win over Serena Williams, are perfectly poised to infiltrate the upper echelons of the game.

Tennis might just be becoming unpredictable again, and for that reason the US Open is worth following. Seeing if Andy Murray can bounce back from that helluva beating makes it a must-see. ♣

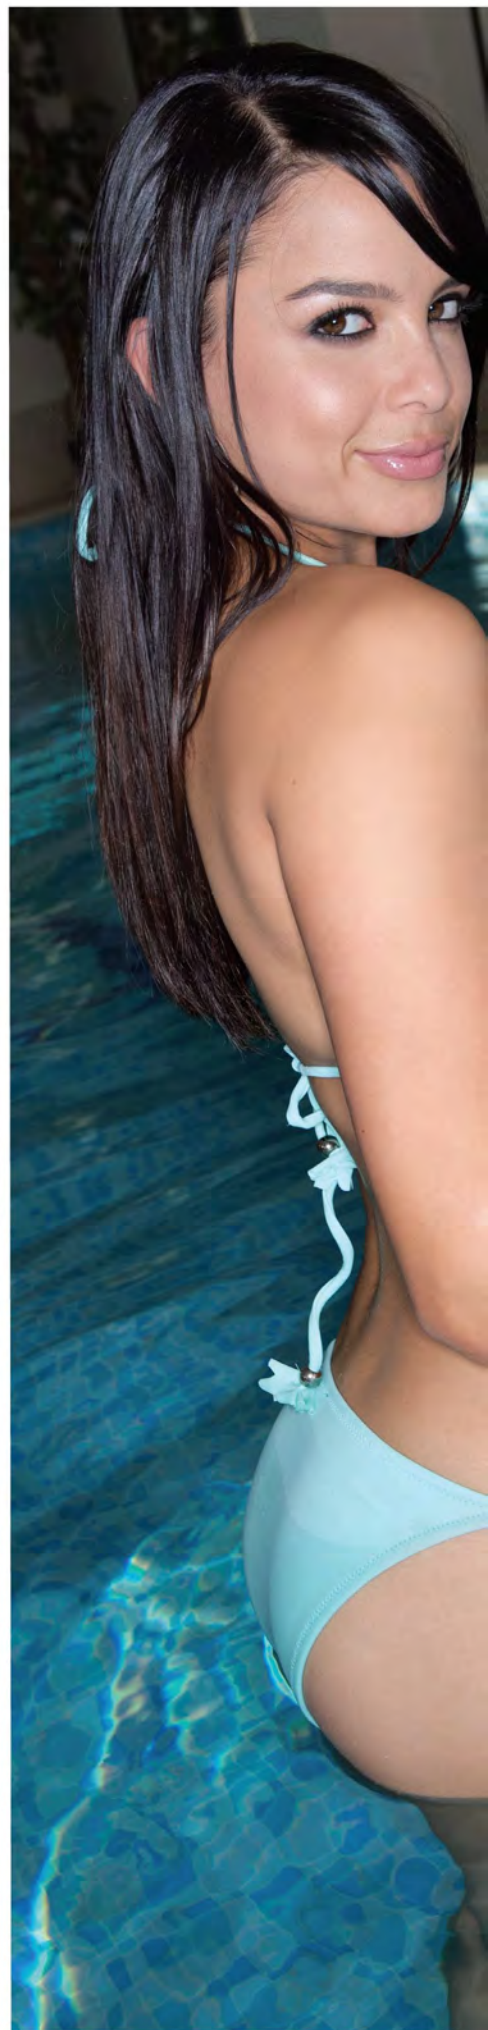

PHOTOS: BB MEDIA

SASHA ♣

The deep end...

Sasha likes to go deep. And we don't mean diving into the deep end and having a swim. No, whenever she comes into the office or studio, she'll pick up the nearest dildo and make it disappear it down her throat pronto. She does it

in a way that makes us cross our legs and hide our bulging crotches, and she definitely does it to show off!

"Ha, busted!" she giggles. "I can deepthroat anything you throw at me!"

Can we throw our cocks at you, then? ♣

OFF YOUR HEDONIST

Something to replace the World Cup?

RATINGS:

★ ENGLAND ★★ MESSI ★★★ ROBBEN ★★★★★ MULLER ★★★★★ RODRIGUEZ

The Grand Budapest Hotel

(20th Century Fox, DVD £9.99, Blu-ray £14.99)

Wes Anderson's films divide opinion. Some fall for their studied, controlled whimsy and charm, each frame art-directed to within an inch of its life. Others hate them for the exact same reason, seeing them as studies in artifice and lacking real passion and emotion. Us, we're with the former. We can watch *Rushmore*, *Moonrise Kingdom*, *The Royal Tenenbaums*, *Bottle Rocket* and even the under-appreciated *The Darjeeling Limited* until the cows come home.

The Grand Budapest Hotel is more of the same, a further refinement of Anderson's high style, packed with the character actors he relies so heavily on. The fictional hotel in the fictional European country of Zubrowka the perfect setting for a comedy that veers from mannered to raucous to farcical. Ralph Fiennes makes a meal of the scenery as the hotel concierge Gustave with vivid support from Owen Wilson, Jeff Goldblum, Tilda Swinton, Adrien Brody, Willem Dafoe, Ed Norton, Jason Schwartzman, Mathieu Amalric, F. Murray Abraham, Harvey Keitel, Jude Law and more, with Tony Revolori breaking through as Fiennes' protegee.

Away from the farce, there's a melancholy as you realise you're watching a disappeared Europe between the two wars, and the influence of late Austrian writer Stefan Zweig becomes apparent. A joy from start to finish. ★★★★★

Beck: 4-6

(Mhz Networks Home, DVD £15.72 (US import))

These stories, inspired by but certainly not based on the original books by Maj Sjöwall and Per Wahloo, are well worth seeking out. Inspector Beck is the daddy of Scandinavian crime fiction, the 10 books about him are the ones that inspired Mankell, Nesbo and the rest. They're from the 60's and 70's, and these adaptations are more contemporary, cleaving closely to the melancholy character of Martin Beck, but taking liberties with other things. Gunvald Larsson moves from the sidelines to join Beck on centre stage, at the expense of some of the novel's characters, but this decision makes sense for a modern audience. These episodes aren't glamorous or glossy, but that's exactly how Beck fans would want it. ★★★★★

Under the Skin

(Studiocanal, DVD £9.99, Blu-ray £12.99)

While much of the attention given to this film – not least from us – has focussed on Scarlett Johansson baring that fabulous body in it – let's not detract from director Jonathan Glazer's achievement. He's taken a hard to adapt book and delivered it to the screen in a way that has enchanted some and turned-off others. Rarely has an art film been so divisive. Johansson is 'Laura' an alien who prowls the Scottish highways, luring males into her web, whisking them away and consuming them. Of course, Laura herself begins to change. It's not wholly successful, but it's definitely unique. We might end up giving it 5 stars next time we watch it. ★★★★★

The Good The Bad & The Ugly

(20th Century Fox, Blu-ray £14.99)

Remastered for Blu-ray, Sergio Leone's Western masterpiece has never looked better. Colour has been tweaked, the grain polished, but you can't escape the rugged brilliance of the film. With Eli Wallach recently passing, there's no better time to acquaint – or reacquaint – yourself with this fantastic triple-hander. ★★★★★

Happy Valley

(2Entertain, DVD £13)

Not all the best drama is found on US cable channels. *Happy Valley* proves that the BBC can still do gripping mainstream drama. Sarah Lancashire excels as the policewoman investigating a bungled kidnap plot in a six-parter packed with devastating and occasionally bleak twists. ★★★★★

Harold and Maude

(Masters of Cinema, Blu-ray £9.99)

Few films are as brilliant in unusual ways as *Harold and Maude*. It stank up the cinemas on release, and no surprise. Harold is a cosseted 20-year-old obsessed with staging suicides, Maude a bohemian 79-year-old with a wild life. A love affair between the two was a tough sell. Bud Cort and Ruth Gordon both do incredible work, and the Cat Stevens soundtrack is a perfect accompaniment to this 1971 curio. ★★★★★

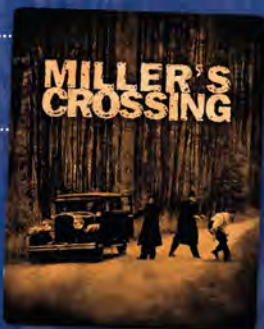

Classic Corner

Miller's Crossing

(20th Century Fox, Blu-ray £14.70)

With the recent TV adaptation of *Fargo* almost out-Coening the Coens, it's good to go back to 1990 when not everything from the brothers was overly whimsical. Of course, this isn't a standard gangster or noir film, Joel and Ethan still play games with 'genre', but you can enjoy the tale and acting – brilliant turns from Albert Finney, John Turturro and Gabriel Byrne – and the Coen trappings are a bonus. It's a prohibition era tale with a mysterious woman (Marcia Gay Harden), copious violence and crackling dialogue. A modern classic.

book club

Subtly Worded

Teffi (Pushkin Press, £12)

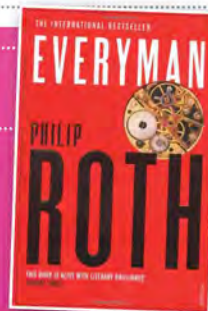

What a life Teffi – AKA Nadezhda Alexandrovna Lokhvitskaya – had. She was an early Russian literary sensation who met Tolstoy and encountered Rasputin. She left Bolshevik Russia in 1919 and her sharp, sardonic short stories are little known in the wider world. She's a wonderful writer of satire, and Pushkin Press do a great job of collating a fine bunch of tales.

Everyman

Philip Roth (Vintage, £8.99)

With the peerless Philip Roth having recently announced his retirement from writing novels, it's time to wallow in his last few masterworks, of which the taut, brief but searing *Everyman* is most definitely one. We open at the narrator's funeral, before he recounts his three marriages, his three children, the ways he's fucked up, the moments of solace. It's Roth, so there's barely a wasted word, never mind an idle sentence. Bleak but brilliant.

Civil War

Mark Millar (Panini, £10.99)

Marvel are such a huge cinematic success story that it's easy to forget there was a time when they couldn't buy a big screen hit and their comic sales were plummeting. *Civil War* is a) symptomatic of the attempts to stem that decline with big events and b) bloody good. With the Marvel world split down the middle by a superhero registration act, Iron Man and Captain America go to war with each other. Ace.

Tapas Revolution

Omar Allibhoy (Ebury Press, £20)

We don't normally do recipe books here at Hedonist, but we can't resist a bit of Spanish scrán in the sunshine. Yes, the cover description of Allibhoy as 'The Antonio Banderas of Cooking' is silly and meaningless other than that he's also Spanish – but his tapas recipes are both accessible and, occasionally, original. Classics get a twist, but ingredients are treated with reverence. ♡

Club's KIT BAG

Plug and play with yourself...

£430

Nikon D3300

www.nikon.co.uk

The Digital SLR marketplace is a crowded one, and one that Nikon have a large chunk of. That's due to build quality and excellence, but also their decision to offer cameras of differing levels of complexity at different prices. At less than £500, this is one that will appeal to both budding snappers and your average Joe Schmo with a bit of money to spend but who'll still use the auto mode more than anything else. It's a nice, compact size but doesn't stint on photo quality, and the 24.3 megapixel CMOS sensor is good enough for most uses. There's no touch screen but it's not a bloody iPad after all...

Pros: Compact, but great photos.

Cons: Lack of touch screen.

£1299

Rollei Actioncam S-30

www.rollei.com

With the Tour de France cutting a swathe through Yorkshire and London, lots of amateur cyclists will be following the route, and no doubt banging on endlessly about it. If only there was a cheap and cheerful way for them to film it all and bore us senseless with the results. Well, there is. The Actioncam S-30 has its drawbacks – no HD, no memory card, no flip screen – but in terms of a simple camcorder that's mountable and portable, look no further. It's cheap as chips but still comes with mountings and housings to make it impact and water-proof. Some things just make sense.

Pros: Cheap, housings are very useful.

Cons: Standard def only.

£119.99

Sony Xperia Z2

sony.co.uk

With Oculus Rift, Project Morpheus and Google Glass coming on stream, pretty soon everyone will be walking around the streets looking like Cyclops from X-Men and bumping into you more than tourists glued to their smartphones do.

This is in the same ballpark, but it's for home use, a headset that gives you two 720p screens, virtual surround sound and on which it's great to watch Blu-rays or do some gaming. 3D might yet die a death for the home market, but it's great on this. The downside? It's bulky, and if you have any eye problems you'll still need to wear your specs, which actually isn't all that comfortable.

Pros: Tops for watching Blu-ray and 3D.

Cons: Expensive, not a joy to wear. ♣

PHOTOS: HOLLY RANDALL

KAMI 

A Kami-oh! appearance...

The only bad thing about this brand new photoset from our favourite redhead Kami is that it was shot in Los Angeles, several thousand miles from where we were on the day.

"That's such a shame," Kami laughs, "we had a real blast that day. It was sunny, we made Margaritas and after the shoot we got a little rowdy in the photographer's pool with some other models."

For fuck's sake Kami, don't rub it in. We were playing darts and drinking cooking lager while it pissed it down outside that day.

"Darts? That sounds fun. I might have to do my next shoot with you guys..." ♣

Dani
Dares

How exciting! I couldn't believe it when the Editor of *Club International* asked me to step into the shoes of such lovely legends as Sasha and Lucy to be *Club's* new regular girl. I got wet instantly and had to nip off for a quick wank. I'm hoping you'll do the same too, and I'm going to be here every month to make your fantasies come true. This is your mag, and I'm your girl, so make sure you write to me with what you want to see. Don't worry, I don't blush easily, you can be naughty – I'm definitely going to be... ♣

SCRUFF JUSTICE!

The latest and greatest in grot...

RATINGS: ★ BELLA EMBERG ★★ BELLA SWAN ★★★ ITALIAN BELLAS ★★★★★ BELLA PASTA ★★★★★ BELLADONNA

Dani Daniels Girl Perversions

(Harmony)

A change of pace for Harmony as they take to America with director Scarlett Revell at the helm. It's still great stuff, albeit with nary a dicking in sight as these girls go vegetarian for the duration. Dani Daniels headlines

and pulls her weight with four rug-munching scenes, while model-standard sluts like Ash Hollywood, Raven Rockette and Tiffany Doll boost the star count. I'm sure they wouldn't object if you introduced a dick into the equation.

★★★★

Italian Bellas

(Private)

After a slow start we've come to adore Valentina Nappi. She's got a unique, sultry look, she's beautifully curvy, and she likes having her back doors kicked in. She's now in our favourite list of go-to stars and, truth be told, she's pretty much the only reason to stick this in your DVD. That's not to say the other girls – Antonella, Nicole, Asia – don't have their charms – it's just that they're standard and not fit to ride in Miss Nappi's slipstream. ★★★

Mums Who Should Know Better

(Adult Channel)

Sometimes it seems that porn companies are waging a war to deliver the least realistic MILFs possible. For us, a MILF should be at least thirty, but here we have a bunch that are barely pushing 20. Yes, we realise there are young mothers out there, but give us a break. Sam Bentley is no MILF. She is, however, one of our favourite stars, so we're happy to see her taking a big load, and Jasmine Jae, for that matter. We were too busy tugging to invoke the Trade's Description Act! ★★★

PHOTOS: SAGE STYLE

BREA &

CODI ♣

In vino verit-ass...

Brea and Codi are a real fun pair. But give them a bottle of rosé to share and the fun – and fucking – goes off the scale. These two start off playful, get giggly and silly and, before you know it, Brea is jamming three fingers into

Codi's sticky honeypot, drawing them out to suck them clean, while rubbing her own dripping wet twat all over Codi's face, leaving her chin glistening with juice. Then the toys come out. And this is just after the first glass. Bottoms up! ♣

READER'S

GIRLFRIEND

NAME: Beth **AGE:** 22

FAVE SEX: Any and every!

WHAT'S SHE LIKE? Bubbly and bonkers

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

I thought it would be a laugh to be in here, a bit of a dare really.

HOW WAS THE SHOOT?

Really good fun. The photographer put me at my ease and soon I was posing like a pro and starting to feel a bit sexy.

HOW SEXY?

Well, I was starting to think about become a full-time porn star about half an hour in, but that's mostly because I'm always thinking about sex anyway! Having sex in a film is something I might have to try once, have you seen the size of some of those dicks?

ANY OTHER PLANS?

Lots, and they all revolve around sex funnily enough! I'd like to do a night as a lapdancer, I'd like to do a livecam, hell, I might even do a live sex show. Whatever keeps me from getting bored and keeps my fanny wet! ♠

Fancy a Reader's Girl slot?

Then send a picture, along with your name, address and a contact telephone number to: Readers' Girls, Club International, 23 Lyon, Street, Hersham, KT12 3PU (or email clubint@paulraymond.com).

If you've got the Club look you'll get a top photo shoot and a £250 cheque, too!

GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

At last! We've been waiting a hell of a long time for the gorgeous Scarlett Johansson to show us what she's been hiding. In fact, we've been longing for more ever since that glimpse of her in panties at the start of *Lost In Translation*. Okay, Jonathan Glazer's *Under The Skin* isn't a film you'd call sexy – weird, yes, challenging, yes – but when it comes to casting a nude alien, who else do you call but Scarlett?

TALKIN' BLUE

Got an experience to share? Then send it in to Talkin' Blue at the usual address and if it's up to scratch you'll bag yourself £50!

CLAM-CAM!

We regularly read your magazine, and my boyfriend has taken loads of pictures of me in similar poses to your models. Now we've taken it a step further and bought a video camera as well.

The first thing Craig filmed was me stripping slowly and acting sexy, until I was naked and rubbing my tits. After playing it back, we knew we wanted to see more, and next time his dick was in shot as I held it firmly and licked the tip with my tongue, fixing my eyes straight at the camera lens.

Watching myself give a blowjob turned me on so much that we spent the next week getting hours of film of me taking his dick from every angle possible.

The other Friday night, Craig returned from the pub, a little drunk, with his mate Andy. As I sat in my dressing gown chatting, he soon steered the conversation round to our videos and Andy instantly took an interest, saying that he wished his girlfriend were into it. I don't know how it happened, but soon we were all watching one together!

Andy kept glancing over at me, as he watched me suck Craig's dick on the screen and finally said, "I wish that was me." They had obviously set this up, as Craig nodded

his approval to me and soon I was on my knees in front of Andy, slurping at his shaft. Knowing that Craig then had the camera trained on me, I ran my tongue down the whole length, and took his balls into my mouth. He had a big cock, and I imagined my mouth wide open on film as I then deep-throated him.

Andy removed himself from my mouth and, pushing me back on the couch, dragged my knickers off as I lay back willingly. Feeding his meat into me, he began to pump away at my cunt for all he was worth, as Craig came in for a close up. I pushed the camera back so he could get a full shot of me grinding my hips hard against his friend, whilst I played with my tits. This was even better than before, and as soon as Andy was ready to cum, I pulled him out and tossed him off over my neatly trimmed pussy, rubbing his spunk into my skin with my free hand.

Next it was Andy's turn to hold the camera

been a real good boy that year, because she said yes, and those two fleshy friends of hers bobbed their agreement, too.

We got back to mine, and I decided to be honest. I sat down and told her she was the horniest thing I'd ever seen. She giggled, said she found my honesty refreshing, and slipped out of her T-shirt.

I undid her lacy bra with one hand. Release the beasts! Jesus, this woman was divine – the fullest breasts I'd ever encountered, and they hardly dropped a centimetre when her bra came off. I leaned her back against the sofa to appreciate those perfect hemispheres. The nipples were great – not too big, nice and dark. I bent my head down and lightly flicked my tongue across each nipple. They sprang to erectness almost instantly, and looked straight at me.

Taking a boob in each hand, I kissed my new friend full on the mouth. Her tits were amazingly firm, and had just the right amount

"I ran my tongue down the whole length of his cock and took his balls into my mouth"

and Craig had certainly been building up loads of jizz for me, which was all captured on film as it rained down on me. I think we went through a whole tape on that night. Now we're building up a right library with Andy's help. Aren't I the lucky one?

Fiona, Chesterfield

HOOTER SHOOTER!

Call me old-fashioned, but tits, for me, have to be huge. My last girlfriend had a beautiful pair of 36DDs – I was sad when that relationship ended. But even they don't compare to those on the stunner I hooked up with this weekend.

I noticed her while she was jogging laps in the park. Hell, everybody noticed her. Bouncy bouncy bouncy. I sat down and enjoyed the view. On her third time past me, I told her that she had to be thirsty by now, and would she like to come on over to my place for a drink? Well, I must have

of give beneath my fingers. As she squirmed on the couch, I knew she was getting hot. I lightly ran my fingernails over her nubs, eliciting a long sigh. My aching cock was demanding to be released, and she happily obliged.

Bending down, I took a nipple in my mouth and sucked – it was hard as a bullet. I knew what I wanted, to tit-fuck her, to slide my cock in between those mighty melons and cum in her mouth. I gently pressed her back onto the couch until she was horizontal, then set to licking her titties all over – paying special attention to the cleavage. By holding her breasts together, she created the most inviting ravine for my cock to plunge into.

Oh man, my first thrust into that breasty heaven was incredible! When she licked my helmet as it came out the other side I thought I was going to come right there and then. I held back, and started pumping faster, enjoying the frictionless feel of my cock sliding into her slippery breasts.

She was holding her breasts together with one arm now and playing with herself with the other. I snatched a look behind me, boy was it a pretty sight; her fingers all shiny with her own juices, pumping in and out of her sopping hole like a miniature cock.

She was still licking me at the top of each stroke as she furiously masturbated herself and I exploded, spurting in her mouth, my biggest load ever. She swallowed most of it, apart from a little dribble that ran down her chin and onto one of those voluptuous mounds. It's an image that'll stay with me to my deathbed.

Damien, Cleethorpes

RUN, RABBIT!

I know your Talkin' Blue letters are usually about girls who've fucked girls, girls who've fucked guys and girls together or girls who've fucked at work, but mine's a bit different.

There's only one person on this planet who can guarantee me a fist full of pussy juice and that's me and my fist full of fives. I'm a self-confessed wank addict and have no desire to quit, no matter how much trouble I get into!

I was always a bit shy about my body, even though I'm pretty cute and a perfect size 8. My boobs had a well-needed growth spurt just before I turned 20 and now they're just big enough to wrap round a nice, juicy cock – or vibrator!

I think it was always my auburn hair and my easily blushable cheeks that kept me out of the limelight. Luckily, I now realise that's

my fingers in the bubbles and they soon found their way to my pussy. My juice and the warm water swirled around as I began to rub and gently pinch my clit, which had swelled up in anticipation.

Careful not to cum and spoil the main event, I pulled myself out of the bath and headed for my bedroom. There it was, my Rabbit, all ready for me. I gingerly sat on the edge of the bed and switched it on. The vibrations hummed though my hand and I lay back on the bed, a dirty grin spreading across my face.

Biting my bottom lip half in fear, half in anticipation, I took the base of the rabbit and slowly pushed the cock bit against my thigh. The vibrations tickled my senses and I bravely moved up until the ears were either side of my clit. The feeling was so intense I

“ **I started pumping faster, enjoying the feel of my cock sliding into her slippery breasts”**

exactly what drives you guys crazy and I've grown to love every inch of my gorgeous, sexy body.

My love affair with sex toys started at a mate's 23rd birthday when a few of us girls threw an Ann Summers party for her. As soon as I clapped my eyes on that Rampant Rabbit, I knew my life was about to change for the better. The host was a slightly older, very experienced woman, who just kept going on about how good it was. In fact, just watching her confidently handle all these sexy toys and underwear made my mind race with dirty thoughts and feelings. Her thick, pitch-black hair fell forward over her face as she bent down to grab more toys and her scarlet nails worked and stroked the big, fat dildos with real expertise and experience.

As she showed us the Rabbit's functions I could feel myself getting turned-on. And when she handed its big, rotating, cock-like body to me my palms were sweating. As the head rotated in my hands I knew I just had to get it, but I also knew I'd be far too shy to visit a sex shop. Luckily the party had a sex quiz with the vibe as a prize – and I won! I practically ran home, my cunt dribbling to see this beauty in action.

I switched off my BlackBerry, mobile, Internet and landline and ran myself a hot, soapy bath to prepare my senses for my new toy. Slipping in, I was instantly turned on by the warmth of the silky, bubbly water. I dipped

cried out loud in shock.

I needed to see myself and moved to the other side of the bed, opposite my mirror. My legs were wide open and my pussy was pulsating with excitement. I was shaved so I had a perfect view beneath my auburn, trimmed bush. My nipples were as hard as marbles and my clit stood firm waiting for another fix. I turned on the main beads, embedded in the cock's middle.

I put it into my mouth to get a feel of what my pussy was about to get. I sucked hard on it and pushed it deep into my throat. No wonder the women who use these things look so happy! My impatient cunt drew my hands back down and I eased the cock in. The sensation was intense and the moment I switched on the ears I exploded! Blood rushed around my body like I'd never known and my senses exploded!

I looked at myself in the mirror and watched cum gush out of my pussy, soaking my hands and making me scream like Janet Leigh! I fell back down onto the bed, grasping my pussy as juice trickled over my fingers. I was scared I was going to pass out! I closed my eyes and let the sensations sweep over me.

I fucked myself so silly that night I had to take the next day off work! Within a few weeks I'd got to know every centimetre of my body and how to work it to perfect orgasm – and each time I managed to last a little longer. As I grew more confident over the following

BOTTLE WANK!

Recently, I went to a party where things got more than a little messy, thanks to the amount of alcohol that was flowing. Someone decided that we play spin-the-bottle and that the other people could choose the forfeit that the two people had to do. The forfeits were decided before the bottle was spun, and soon people were saying more outrageous things.

When someone cheekily said, "Give the other person a handjob!" everyone fell about laughing, but the bottle was still spun. Sure enough, it landed on me and then my eyes scanned the circle hoping it would land on one of the fit girls there. I could hardly disguise my relief when it landed on Anita, who I'd been chatting up all night. I couldn't believe my ears when she immediately looked at me and said briskly, "Can we go in the other room?"

I'm too embarrassed to do it here."

A huge cheer went up in the room as we exited together, and without turning the light on in the study, she began to fumble at my flies. She was actually going through with it! My dick had already gone hard from the excitement, and as her fingers curled around it, I pushed my own jeans to my ankles. I expected her to just wank it a couple of times, but she was soon stroking my balls as she worked up a faster rhythm.

Soon her free hand was holding my shirt up over my stomach, allowing her to circle her tongue around my belly button. There was no way she was going to suck me off, was there? Suddenly, I felt her soft lips connect with the tip of my cock and then the warmth of her open mouth surrounded my shaft. In the dark, I held the back of her head gently as she took my pulsing meat to the back of her throat, and then all the way out again, slowly but repeatedly.

A few shouts came from the other room, calling us back, but I desperately wanted it to continue. Unfortunately, my own prick wasn't prepared to wait and, feeling the cum race through my pole, I whispered, "I'm about to..." Not even able to finish my sentence, I was then flooding her mouth with my spunk, which she swallowed and gulped

down, even taking time to carefully lick me clean while my dick still twitched in pleasure.

"Not a word," she whispered in my ear, to which I could only reply, "That was fucking amazing, thanks." I did keep it to myself, but I reckon the grin that kept appearing at the corners of my mouth gave it away!

Paul, Southend ♣

"I felt her soft lips connect with the tip of my cock and then the warmth of her open mouth on my shaft"

months I began to wank pretty much everywhere, with everything and in front of anyone. My confidence was through the roof. Just knowing what I could do for myself was such a huge high.

I've learnt that guys love nothing more than being treated to a solo show of me, my fingers and my gaping pussy... and I've certainly put a few smiles on their faces! After a while even this wasn't enough, so I began to show myself on the Net.

Now the thought of random guys around the world anonymously enjoying their hard cocks as they watch me frig my pussy just gets me ridiculously wet.

I know one day I'll get caught by my new boyfriend who has no idea what I get up to on the Net, but that's half the fun and only adds to the utter thrill of it all. Until then I need to make sure the whole world gets to see my fingers working myself to a juicy, cum-slippery orgasm!

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

ANAL REJECT!

No-one likes being stood up, which is why I agreed to be a substitute for my friend, Faye. She'd been set up on a blind date when a bloke at work she'd fancied for ages finally asked her out. "So you want me to go out with your reject?" I asked.

"It's not like that," Faye complained. "Apparently, he's a really good bloke. It's just that I want to see how it goes with Jason." Faye had been harping on about Jason for months, so I knew how important it was that she let things run as smoothly as possible with him. "You can just go and see what you think. If you don't like him, you can just have a drink and leave. But be nice, please?" I agreed to be nice but had no idea how naughty I was going to end up being.

His name was John, and he was so breathtakingly handsome that I didn't correct him when he called me Faye as he took and kissed my hand. My brain had turned to mush and I wasn't sure of my own name as he offered me my chair. Having not initially corrected him, I found it impossible to do it as he set about ordering drinks. I was dazzled and could tell that I'd caught his eye as well. The tight silver mini-dress and matching heels had been chosen in case I'd decided to ditch John early and head out into town. That wasn't going to happen, not if I could help it.

We chatted, telling each other what we'd

been up to, holidays that we'd been on and other safe, first date topics but all I could think about was what was going to happen at the end of the date. Or what I wanted to happen. Faye wasn't the only one who hadn't had sex in a while. I determined that my version of Faye was going to end her dry spell this very night.

My hand found John's knee and his found mine and slowly moved up onto my bare thigh. I gave him every green light I could think of, so after he leaned forward and kissed me at the taxi rank, he was well within his rights to ask me back to his. "I'd love to," I gushed, making no attempt to cover my enthusiasm or my knickers as we ducked into a taxi.

John pulled me inside his flat and pushed me against a wall, kissing me while I used him for balance as I kicked off my shoes. "I can't believe we're doing this, Faye," he exclaimed, as his hands pulled eagerly at my zipper. My stomach knotted with excitement. Faye wasn't doing this but it might be fun to pretend she was. We ended up in John's bedroom. "I'm sorry," he said, as he pulled at the messy bedclothes. "I really wasn't expecting to bring anyone back tonight."

"Anyone?" I teased, as I pulled my shoulders out of the dress and unfastened my bra. John's gaze fixed on my breasts. I hid them behind the palms of my hands, wriggling seductively as my dress dropped around my ankles.

"Sometimes he pulled out all the way to the tip before slamming back in as hard as he could"

"Well, not anyone," he said, obviously quite stunned.

"Pull my panties down." I whispered the instruction so quietly that John's whimper sounded like a roar of excitement. He dropped to his knees and used his hands on my hips to turn me around. I knew he'd seen the outline of my shaved pussy through the lace of my panties but wondered whether he'd been able to detect the scent of my arousal. I gasped as he slid the panties down, not because he did it in one swift movement, but because he pressed his face up between the cheeks of my bum at the same time. I fell forward so that my hands were on the mattress while my bum was still high in

the air. John's tongue snaked out and touched the centre of my exposed arsehole. I thought he'd work down to my pussy and lick between my lips but his tongue remained firmly buried in my bum. It wasn't what I'd been expecting but it felt nice in a ticklish kind of way.

I moaned, and crawled onto the bed, not to escape but to allow John even greater access. As I parted my legs wider, he buried his face between the cheeks of my arse, lapping hungrily up and down, pushing his tongue hard against my knotted muscles. It felt like he was trying to get it inside me as he licked and sucked on my anal opening, totally ignoring my pussy.

"You've got an amazing bum, Faye," John gasped between licks. "I so want to stick my dick in it." My stomach tensed with excitement. I rarely did more than a tongue-filled goodnight kiss on a first date but since I was Faye for the night, perhaps I could do things differently.

"Get your pants off," I breathed.

John stood up, pulled his shirt up and over his head, then unbuckled his trousers. I shuddered as I saw the bulge in his boxers. John was a big boy, an observation which he confirmed seconds later. "You really think this thing is going to fit in my bum?" I asked doubtfully, taking a gentle hold of his cock and rolling the foreskin down.

"I've got lube," John said.

"Oh my fucking God," I groaned, as John pushed some of the lubricant up my bum. I found myself moaning softly as his fingers pushed inside my bottom. I'd played with my own bum quite a bit and had a few anal toys but I'd never allowed a man to take control of my bum before. He really was in control – it

the last few years. That was until I moved into digs with Stacy. Stacy's the complete opposite of me; leather trousers, tight T-shirts, bulging cleavage on show, lots of lip-stick to accentuate her "cock-sucking lips" (her words, not mine), she looks stunning. But Stacy doesn't do things for show, she dresses this way because she loves

was John who determined that I was ready. I was on my hands and knees on his bed as he moved in behind me and touched his cock against my bumhole.

"Your bum is perfect," he said. He held my hips as he pushed forward. There was pressure more than the pain I had expected. "Well, it's perfect now," John groaned. I wanted to see what he was seeing; wanted to see his cock sticking obscenely out of my bottom. I gasped and found my fingers moving back to my empty pussy as he started to fuck me. This was the dirtiest thing I'd ever done. I'd gone on someone else's date, pretended to be my friend and was now allowing her date to fuck me in the ass, with us both thinking I was her. That was why it felt so fucking good when I started rubbing my clitoris.

"Fuck me," I gasped. "Fuck Faye's tight ass." Uttering the words made my body sing with dirty delight. I never talked dirty during sex. Apparently Faye did. The passion rose and my toes curled as John started plunging his cock in and out of my arse. Sometimes he pulled out all the way to the tip before slamming back in as hard as he could, other times he paused with his entire cock buried in my bottom. His every movement made me gasp with pleasure and I matched his rhythm with the fingers rubbing my clitoris. I arched my back, unintentionally changing the angle of penetration and quivered as the pleasure in my clitoris seemed to join forces with the heat in my bowel. John was fucking my arse, properly fucking it, and he was going to make me cum. "Cum in my arse," I begged.

"Jesus Faye, I can't believe how filthy you

are." Faye wouldn't believe how filthy I'd been either.

"Ooh, fuck!" I gasped, as the wonderful cramps of an orgasm reached from my clitoris into my abused bottom. It felt different, more intense and I knew that I'd want to do this again.

"Oh God," John groaned, and I sighed happily as he glided to a slippery, sticky halt inside my arse. I kept my throbbing, spunk-filled bum high in the air as John finally sagged down heavily onto the bed beside me. As rejects went, John was definitely a keeper. *Gayle, Inverness*

COMING OUT OF THE CLOSET!

I've always been shy, ever since I was a little girl. I can't help it, it's just the way I'm made, but I've missed out on an awful lot of fun over

sex and I don't mean she has a cosy love life with her boyfriend because she doesn't have a boyfriend – well, not one particular guy anyway. No, Stacy's philosophy is that she'll settle down one day, but before then she's going to do everything her cunt desires, and her cunt desires constant pampering.

She watches porn all the time, masturbates every day and has absolutely no sense of shame. The things I hear going on in her room when she's brought a bloke home, I can't even begin to describe. I have to admit though, it does turn me on and I often listen at the wall with my fingers inside my pyjamas.

Then, last month, I was up and about in the morning when two guys came out of Stacy's room and headed for the front door. I couldn't believe my eyes. When Stacy emerged a few minutes later I asked her if she'd had

sex with both of them, and she said she had.

"Never settle for one cock when you can get fucked by two," she laughed, then told me all about how the guys had spit-roasted her, taken turns fucking her pussy, then finished by fucking her in both holes at the same time. My slot was absolutely dripping as she told me all about it and had to nip to my room and bring myself off when she went for a shower.

The next day I asked her if she'd really done all the things she said and she insisted she had.

"I'll tell you what, why don't you hide in my

allow Stacy to suck his cock, while the other started fucking her from behind. It was quite unbelievably arousing to watch and I dug two fingers into my dampness and stroked my swollen lips until I clenched around my knuckles. This made me emit a little murmur and Stacy glanced in my direction and smiled before returning her mouth to the hard dick she was slurping up and down.

"Oh yeah, that's it, fuck me in the arse," she told the guy behind her, and I suddenly realised that she wasn't just being fucked, she was being anally fucked.

"Fuck it, fuck it deep," she demanded as she wanked the other guy into her face. I knew right away that Stacy was saying all this for my benefit and I started moaning uncontrollably as I felt the full force of my orgasm grip me.

I was now so turned-on that I could hardly see straight and lay back against the back of the wardrobe, thrashing my pussy with five sticky fingers. I heard Stacy moan again and again and quickly returned my eyes to the keyhole just in time to see the guy she'd been sucking off explode all over her face. Stacy wanked him hard as he came and he splattered her nose and mouth with great ropes of sticky cum so that it dripped off her chin and on to her tits.

At that moment I would've given anything to swap places with Stacy and juiced all over my fingers at the sight. I'd never been so excited in all my life and wondered if I dared open the wardrobe door and ask to join in, but all of a sudden I didn't need to.

Before I knew what was happening, the second guy jumped off the bed and yanked open the wardrobe door, catching me in the act. His long hard cock bobbed up and down

“ Stacy spread her legs and told me to lick her asshole, so I slipped my tongue into her bum ”

wardrobe and watch the next time? It would be super fun knowing you were there," Stacy suggested, and after a little thought I said I would. The following Friday Stacy called to say she was on her way home and told me to go and hide.

I did as she said and pulled the door to, so that I could look through the keyhole and five minutes later she stumbled in with two different guys! My heart thumped in my chest as I pressed my eye to the keyhole and I could barely control my breathing. The three of them tore into each other's clothes with the lights on and the guys stroked and caressed Stacy all over as she kissed each in turn.

I looked where her hands were and saw that she was holding both of their cocks and simultaneously wanking them hard. This took a matter of seconds and suddenly she was sandwiched between two rigid, up-turned pricks. This set my pussy tingling like crazy, and I rubbed the front of my knickers as I watched the three of them roll around on the bed together.

One of the guys laid back to

just a few inches from my face and I saw Stacy smiling at me.

"Guys, this is my flat-mate and she's even filthier than me. Why don't you lads show her a good time?" she suggested, and suddenly I had a big, hard cock in my mouth. Events had moved so quickly I had no time to react, I simply did what was expected of me and sucked the length of this guy's steel-hard rod as Stacy and her bloke looked on.

"Look at her go, she sucks like a pro, doesn't she?" Stacy laughed, then she got down next to me and the pair of us sucked cocks side by side. I turned to watch Stacy as she worked that big fat dick in and out of her face and I tried to emulate her. I drew my lips backwards and forwards along his shaft while daubing his eye with my tongue and pretty soon I could taste his sticky pre-cum discharge seeping into my mouth.

I started to moan with anticipation and thrashed his meaty root with my slender fingers until the guy was straining to hold back. I'd never swallowed a guy's cum before but I was determined to do so now, so that when he loosed off a great milky wad all over the back of my throat I gulped it down as quickly as I could. There was so much more than I'd expected and the guy just kept squirting, but I wasn't going to let a drop of cum go to waste and drank the whole lot down before sighing with genuine gratitude.

I was just licking that last of his sperm from his cock when I felt my bum being lifted from behind. The guy who'd been with Stacy was stroking his rod over my swollen lips, then all of a sudden he was inside me. He held me by the hips and rocked his fabulously stiff cock in and out of my dripping cunt and told me what a slut I was.

The guy I'd been sucking moved to one side and Stacy replaced him in front

of me. I knew exactly what she wanted and at that moment I was in no fit state to deny her. I buried my face in between her legs and licked her sticky cunt with a wanton hunger that took my breath away.

Stacy spread her legs over my shoulders and told me to lick her arsehole too, so I slipped my tongue into her bum and rimmed her creased ring until she came all over my face.

"Fuck me in the arse," I demanded of the guy behind and my heart skipped a beat when I felt him pull out of one hole and press against the other. The guy leaned forward, planting his pole between my cheeks and I howled into Stacy's pussy as he plucked my anal cherry. He pounded me for several minutes and I thought it would never end, but finally I felt a warm squirt of goo fill my rear and he held himself tight against me until he'd pumped me full of cum.

By this time, the first guy was hard again so I didn't get much of a respite. He slotted himself up inside my pussy and fucked me until I dripped cum from there too. Stacy wants to do this again, but says next time she wants to be the one watching from the wardrobe. How can I refuse?

CANDICE ♣

Pretty in Pink...

Candice returns to the pages of *Club*, indulging her passion for all things pink while she's at it. "Hot pink," she corrects us, "it must be hot pink. I don't wear pastels!"

How hot?

"Oh, you're trying to get me to talk about the other kind of pink, aren't you? Ok, let's play your game – very hot pink in that case. Of course, I'm not really a girl's girl. I can do the lesbian thing, but once I'm fucking a girl and I'm wet, my mind automatically switches to wanting some cock."

Would it help you if we painted our cocks pink?

"You can paint it any colour of the rainbow. As long as it's thick and hard then I'm happy!" ♣

What our well-placed moles are telling us this month...

DOWN THE WIRE

Frank Lamp-hard!

The days of referee authority are well and truly gone, as Baseel Abdul-Amir Saad perfectly demonstrated during an adult league match in the Detroit area by lamping the referee; critically injuring him. The assault took place after the referee indicated he was going to send Saad off. The 36-year-old has been charged with assault and intent to do great bodily harm, as the referee is still in critical condition. Saad is giving Suarez a run for his nashers.

Loaf Less!

Get him on
Jeremy Kyle!

43-year-old John Ruiz chose to have "In God we Trust" tattooed on his head but instead seems to have fallen foul of its irony as he was arrested on Saturday after leaving his 11-year-old daughter alone with a loaded gun. Neighbours reported seeing the child with a 22 caliber pistol hidden under a towel by their apartment

swimming pool. Ruiz's daughter reportedly told the police her father keeps the pistol in case of a break in. Ruiz was released after posting his \$15,000 bail. Somebody wasn't using his loaf.

Stripper Quartet!

Derrick Price, 43, wasn't singing after his barbershop was raided by the Metropolitan Bureau of Investigation on discovering it turned into a strip club at night. Price flounced alcohol and nudity laws as his moonlighting barbershop turned into a pussy palace every Saturday night. Subsequently, Price was arrested for a string of offences including employing dancers under the age of eighteen. At least he won't be out of a job, even inmates need their hair cutting.

Shawshank back
and sides, please...

The Parent Hash!

I can haz
doobie?

One 9-year-old girl already appears to have a career in the making, after entering her local Police station and calmly telling the duty officer her parents were producing and peddling weed, according to the Star Tribune. The girl reportedly stated the smell of weed made her feel sick and that she was worried about the health of

the family dog. A search of the home produced several pot plants and smoking paraphernalia. Charges will be filed once the plants have been analysed by a lab. Not such a budding parent-daughter relationship after all. ♣
